

PRANJAL MISHRA

AI/ML Student | Robotics & Intelligent Systems Enthusiast

BTech CSE (AI/ML) student passionate about building intelligent systems that think and move.
Strong foundation in Python, C/C++, embedded systems and data-driven solutions.
I enjoy turning ideas into real-world projects that solve meaningful problems.

EDUCATION

IPS Academy Indore

B.Tech in Computer Science Engineering (AI/ML) Jul 2025 – Jul 2029
Grade : 8.95 CGPA

St Karen's Secondary School

Higher Secondary (PCM) Mar 2022 – Mar 2024

PROJECTS

Smart Load Management System with Prediction & Safety Features Mar 2026

- Built an Arduino-based system to monitor power usage and predict future demand using trend analysis.
- Implemented adaptive point-based algorithm to decide for optimized energy usage.

Tech Stack: Arduino, C/C++, Sensors, LCD, Relays

Intelligent Workspace (WORKSPACE OS) Ongoing

- Developing a custom AI-powered operating system that automates tasks, manages and enhances productivity.
- Features include smart file management, AI assistant, system optimization and voice control.

Tech Stack: Python, C++, AI/ML, System Programming

TECHNICAL SKILLS

Python | C/C++ | MySQL | Arduino | ESP32 | Data Structures & Algorithms | Machine Learning | Robotics & Embedded Systems | VS Code | Arduino IDE | Fusion 360 | OpenCV | TensorFlow | Linux | Figma | Git & GitHub

EXPERIENCE

Digital Marketing Intern

Company Name | Feb 2024 – May 2024

- Managed social media platforms and created engaging content.
- Performed SEO keyword research and competitor analysis.
- Analyzed website metrics using Google Analytics to improve performance.

CERTIFICATIONS

- HP LIFE – AI for Business Professionals
- HP LIFE – Data Science & Analytics
- Beamline for Schools – CERN (CLEAR Facility) – Feb 2026
- Completed MySQL Learning Journey

ACHIEVEMENTS

- Participated in Inter-College Science Exhibition (Robotics & Automation) – Mar 2026
- Secured **8.95 SGPA** in BTech AIML Semester 1
- Consistent learner with hands-on project-building approach

LANGUAGES

- English – Professional Working Proficiency
- Hindi – Native Proficiency
- Spanish – Elementary (Duolingo Score: 10)

"I build things that think and move. They break. I fix them. They break again. That's how I learn."
